Sandra Mohr, Director of “Stock Shock,” will be featured at the "Los Angeles Women's International Film Festival" March 26-April 1st, 2010 at the Laemmles Sunset 5 Theaters in Hollywood, California. She will be joined on Winning Strategies www.winningstrategies.net by Wes Christian www.csj-law.com, a securities fraud specialist and close associate of legendary trial attorney John O’Quinn, who jointly pursued stock fraud cases with Mr. Christian for many years before his tragic death in an automobile accident in 2009. Wes Christian continues to pursue stock fraud cases today and Tim Connolly, Ms. Mohr and Mr. Christian will explore the murky world of securities fraud and the billions of dollars stock fraud steals from investors all over the world.

“Stock Shock” exposes a technique known as naked short selling, which has resulted in the collapse of the stock value of some of America’s most promising public companies. Sirius XM, often labeled as one of the most manipulated stocks in the market, is dissected in the movie. "Stock Shock" interviews individual investors who saw their stock price hit a high of \$9.00/share and then plummet to a horrifying low of 5 cents in 2009.
